PROFILE

Dynamic IT professional with a Bachelor of Science in Information Technology from KCA University, combining academic excellence with practical experience in software development and IT support. Demonstrates strong problem-solving abilities and a collaborative approach to achieving project goals. Eager to leverage skills and knowledge to excel in IT roles and explore opportunities in administrative positions.

EXPERIENCE

COSEKE: 2022 Jan-May (*internship***)**
Duties

- Collaborated with senior developers to create electronic database management systems for clients including UWS and Kengen.
- Contributed to the development and implementation of solutions, gaining hands-on experience with Python and the Django framework.

Safetrac: 2023 Feb-March (*internship***)**
Duties

- Monitored and analysed car fuel usage and journey duration, resolving issues encountered by drivers in real-time.
- Generated comprehensive reports on tracked vehicles, providing valuable insights to improve operational efficiency.

Kenindia: 2023 Nov-2024 May (*internship***)**
Duties

- Delivering IT technical support services to enhance system performance and user experience.
- Troubleshooting and resolving hardware and software issues, ensuring minimal downtime and optimal functionality.

SKILLS

Python: Django framework

JavaScript: ReactJs Framework

UI Development: HTML, CSS, Bootstrap

Databases: MYSQL

Windows Server

Troubleshooting

Networking

Microsoft Office

OTHER WORKING AREAS

Administrative officer

While my professional experience primarily lies in IT support and software development, I am also open to exploring opportunities in administrative roles. I possess strong organizational skills, attention to detail, and the ability to manage multiple tasks efficiently. I am eager to apply my adaptable skill set to contribute to administrative functions within an organization.

EDUCATION

KCA University: *2018-2021*

Bachelor of Science in Information Technology   -   *Grade*: **2nd class Upper**

J.G Kiereini High School: *2014-2017*   -   *KSCE*

HOBBIES & INTERESTS

- **Technology**: Actively researching new advancements in IT fields to enhance problem-solving skills and stay updated on industry trends.
- **Psychology**: Engaging with diverse individuals to understand their perspectives and enhance interpersonal skills, fostering strong client relationships and teamwork.
